2 contrasting fabric squares 10" x 10"

2 COTTON batting squares 10" x 10"

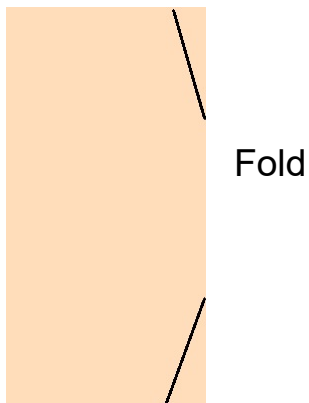

I suggest something like Warm & Natural, Quilter's Dream, Hobbs

1. Put each fabric on a batting square and cross stitch.

2. Fold each piece in half right sides together and mark 2" on the fold on each end. Mark 1" at the top and bottom. Draw a line. Then trim to $\frac{1}{4}$ ".
3. Fold the other way and do the same.

4. Put both sections right sides together and sew around the outside edge leaving a 2-3 inch section to turn.
5. Clip corners
6. Turn and top stitch completely around the edge $\frac{1}{4}$ "
7. Finished!
