President's Letter

I can't begin to thank all of the folks that helped make our show a success. There are some I feel I have to mention and if I leave anyone out that should be included I apologize and will submit to 10 lashes with a fat quarter.

There is of course our co-chair De "Let's get them hung and judged: Leclair; our volunteer chair who thought of everything before I did, Janet "I've got that done already" Miller; our cantankerous cur-mudgeon Amy "Here's another door prize Cotrell who lined up our vendors and kept us all in line; the white glove lady Jean "we only have 50000 gloves" Powell; the guild saleslady Anita "Wanna buy a mug" Hill; our membership chair Gloria "Sign on the line" Hammond; the Quilt-In crew headed by Susan "Let's make another one" Johnson who created a wall hanging for the Silent Auction even as the show was going on; our Boutique chair Janice "We're a little crowded" Frankenberger who gave up booth space so that we could accommodate another vendor; the VP in charge of wearables Ruth "Storybook Quilts" Felty who lined up the best looking crew of models we've had for a show; and everyone else who gave us their time, there expertise and their support.

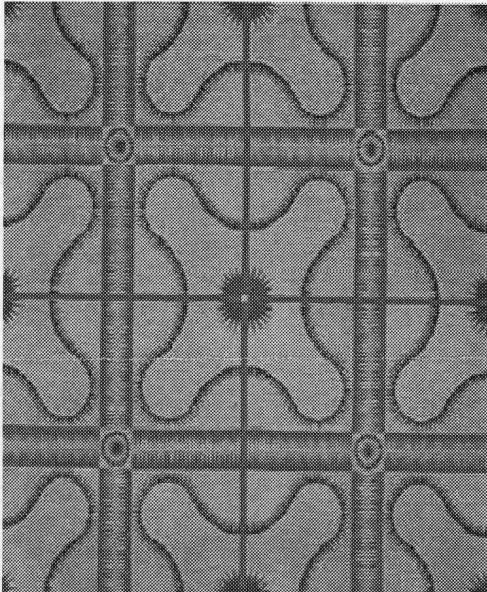

Moving on to news from our October meeting. The membership approved the creation of three new committees based on recommendations of the Long Range Planning committee. They are: Visibility Committee; Monthly Meeting Committee and Services Committee. There is another story in this newsletter with more details on their responsibilities. Anyone interested in serving as chair or member of any of these committee should contact me or any member of the board. We hope to announce the composition of these committees in November.

NOVEMBER PROGRAM

Our guest speaker for November will be **Barbara Barber**, award-winning quilt maker, author and teacher from England. Her lecture, **"My Work and Inspiration,"** covers the quilts, inspirations and motivations behind the earliest of her work – then follows the progress she's made to the many awards her quilts have won. She'll have many of her quilts with her so you can see them up close.

"Solstice" is a sample of her work (you may have seen it on Alex Anderson's "Simply Quilts" TV show).

For more info, see Barbara's web-site at www.barbarabarberbritishquilts.com.

**OCTOBER'S PROGRAM**

The things you can do with miniatures!

October's guest speaker was Debra Perkins from Dallas who, together with a woman she met at a bee in 1993, creates and publishes miniature quilt patterns. Her trunk show included over 50 striking quilts – none larger than a placemat. One of the advantages of miniatures is having a completed quilt in a relatively short period of time, but Debra cited several others, such as:

- Previewing fabric combinations for full-scale quilts
- Displaying more quilts in a limited amount of space
- They make great gifts
- They use smaller and smaller scraps (although this may not really be a "plus").

For more information on Debra's patterns, check out her book Collections [Tynnebelle's Quilts] – she donated a copy to our library. She also encourages you to send questions to her at mini2quilt@mac.com.

October Update: Quilt Blocks from Japan

What an exciting time we had at the October meeting! Not only were two completed quilts turned in, but 7 more blocks were selected from the basket. Sharan McCall turned in her lovely wall hanging composed of four blocks, entitled "We Wish You Peace". How in the world did you work your wonders and produce such a lovely wall hanging so fast, Sharan? And one of our new guild members Claire Wester turned one unique block into a charming wall hanging which she named "Valley of Peace". Thank you, Sharan and Claire. Because of your efforts, our collection now consists of 13 finished quilts. Can you believe it?

Then Gundy Cleven and Mary McCarthy, also two of our newer guild members, each selected baggies of blocks from the basket this month. We could see in Gundy's sparkling eyes that she already has a plan for the special block she chose. And Mary couldn't resist taking enough blocks to make two wall hangings! Gundy and Mary, do you have any idea how appreciative we are of your interest in and enthusiasm for this project? Because of you and all of the others who are involved in this project, there are now a total of 20 quilts in progress. Let's see: 13 quilts completed + 20 quilts in progress = 33 quilts! And that means out of the 139 blocks we received from Japan, there are only 31 blocks left in the basket; that is, enough for at least two 9-block quilts, one 8-block quilt, one 4-block quilt, and a number of single block wall hangings.

So, if you and/or any of your friends would like to design a layout for any of the remaining collections of blocks, we encourage you to call and let us know you are interested. In addition, if you know of any organizations that might be receptive to exhibiting our beautiful cross-cultural quilt collection, please give Barbara Gilstad or Ruth Felty a call, or send an email to gilstad@texas.net. Your ideas are welcome. ☎

Holiday Fabric Swap - 5 inch squares

Christmas fabrics this time !!!!!

Susan and Mary Ann are fascinated by the pattern book Nickel Quilts and propose a swap of 5 inch fabric squares. Goal is to increase the variety of 5 inch squares for as many people as possible.

If you are interested in participating in the swap, follow these simple rules:

1. Fabric must be 100% cotton, **red, green, light, or other small holiday print** **prewashed.**
2. Cut the fabric into **exact 5 inch squares.** (Please cut carefully.)
3. Place **10 DIFFERENT fabric squares** in a plastic bag.
4. **Limit 20** sets make sure that each bag contains 10 different squares.
5. You may duplicate fabric squares, as long as duplicates are in different bags.
6. Put your name in each bag.

You will receive the same number of bags as you turn in. Turn in the bags at the November meeting. Susan and I will sort them and return new fabric squares to the participants.

Editor's note --Swapping fabric squares is a wonderful way to increase your own stash. You could cut a 5" strip off your piece--ten times for sets to swap. A full width cut should yield about 8 - 5" sqrs. So for your efforts you should get back 80 squares different from those you turned in.

HAVE A HAPPY DAY BOUQUET

by Ida Tyson Blankenship

Challenge Winner-Cash prize.

Maybe more will finish their entries next show.

New Location a Success !!!

Our meeting in October went well. So we'll see you Nov. 8 at HORIZON.

Horizon Church, on the West end of Evers Rd. has offered their building for us to meet in. It is a newer church and is eager to have someone else share the use of their building.

To find the church you drive West on Evers Road until you get to the END of it---TAKE A SLIGHT TURN TO THE LEFT,---there is HorizonChurch.

(For quite some time our guild has been grappling with the problems of our meeting location. Trinity UMC has been very helpful, but at times they need to use the church building same time as we want to rent it from them, so we had to go somewhere else.)

Thanks from De Le claire

I would like to thank all of those individuals who helped me with quilt show entries, verification, hanging the quilt exhibit, scribing, judging floor duties and the multiple other jobs that made this show so wonderful. I certainly couldn't have done it without all your support and hard work. A special thank-you to the, Pieceful Quilters who spent many hours making the hearts for the awards ceremony. They were so beautiful and appreciated by all.

I would also like to thank Janet Miller who has graciously agreed to be my Co-chair for 2005! Please give her all your support. As most of you know, I have sold my house and am relocating in the next week or two. Once I have settled & can find the coffee pot I will call a meeting to discuss changes for the next show. One of the big changes involves division of the co-chair duties. If anyone is interested in being the Entry Chair or the Program Chair please contact either Diane Leclair or Janet Miller.

Thank-you all again for your hard work and smiles.
