## President's Corner

It was certainly a pleasure to have Cathy Miller back with her unique musical program at our March meeting. I am particularly fond of "100 Ways to Hide Your Stash" and "She Who Dies With the Most Fabric Wins". And on a more serious note "The Quilter's Embrace" makes you think of all that our guild and other guilds do for the community.

Debbie Pavelka and Kitty Janiga presented another "hurry-up" service project for the Children's Shelter. I'm sure that guild members will answer the call, just as they have for Bright Hopes, Youth Alternatives, etc.

As worthwhile as these project are, they bring to mind the object of the guild as defined in Article II of our By-Laws. It says, in part, "The object of the Guild.....shall be to stimulate an interest in quilts and to advance the art of quilt making through an annual event for the general public; to assist local museum in their displays of quilts and quilting; and to hold educational programs, workshops and seminars in the design and techniques of quilt making."

Ruth Felty has spearheaded the organization of a Long Range Planning Committee. Their question is: "Where should the guild be five years from now?" They are trying to contact every guild member for answers. If you are not called, call a committee member yourself and make your opinion known.

Some members have shared their suggestions with me. All of them have merit. But remember, for every suggestion that is implemented someone has to step forward and say, "I'll do that!" Your guild came within two days of dissolution last fall when no candidates could be found for your board. Four board positions are up for selection in November. I sincerely hope that all four present board members find it in their heart to continue, but if not we will be seeking new board members.

To paraphrase JFK, "Ask not what your guild can do for you, ask what you can do for your guild!"

Larry

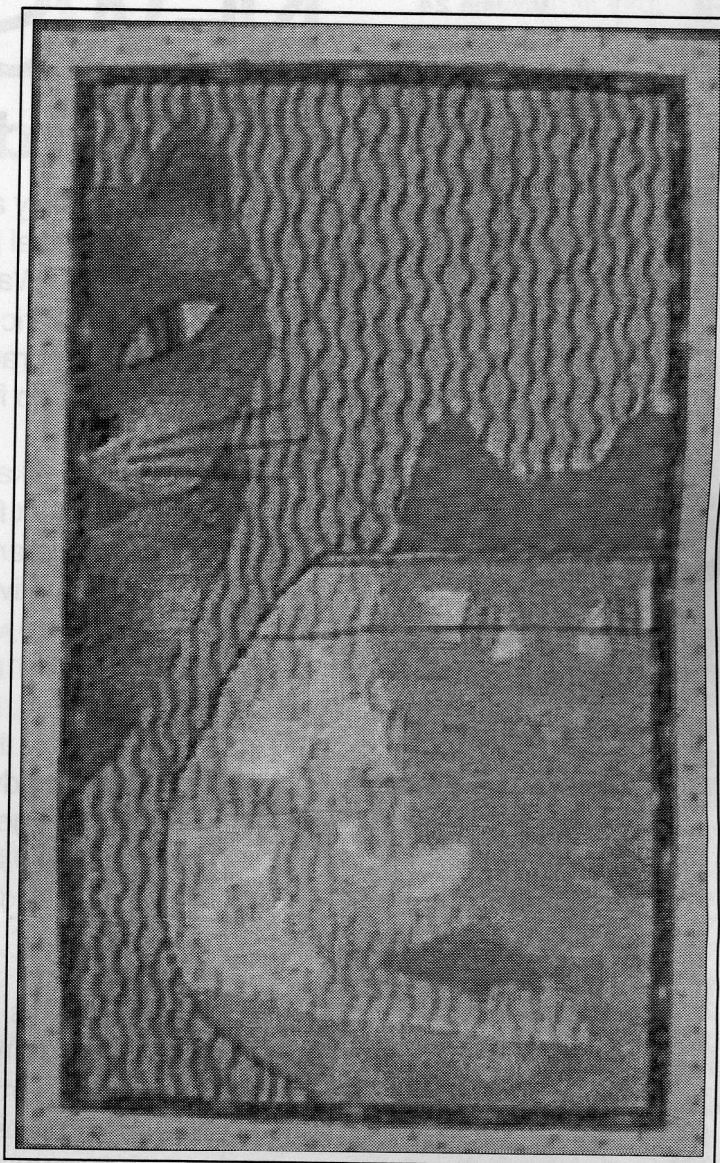

## April Program.

**Linda Cantrell**, artist, teacher and award-winning quilter.

Linda Cantrell was a painter before she was a quilter. She made her first quilt in 1980, and before long she was thinking of pictorial quilts. Appliqué was a natural choice with fabrics and embroidery thread becoming her paints and brushes. She is self-taught in appliqué and quilting. Creating quilts of her own designs is her specialty with her time spent quilting, teaching quilting or thinking about the next one to be made.

Linda was the "Featured Artist" at the 2000 Quilt America Show. Her quilts have won awards at AQS and many other local and national shows.

Her presentation to our guild in April is titled, "Appliqué...I Did It My Way," a light-hearted look at 20 years of quilting. She'll show you that appliqué can be for those of us who cannot follow the rules. Maybe after this lecture you, too, will be listening to a different drummer.

- **"Partners in Crime"** Learn the freezer paper inside method of appliqué. This is an easy workshop, good for beginners and advanced. Linda will also give tips on borders and bindings that fit perfectly. The completed work will be a unique wall hanging, no two alike.

**"Elegant Lady in the Red Hat"** If you do not have natural drawing abilities, and have wanted to try pictorial appliqué, this is the class for you. You will be making a wall hanging from a 1912 fashion plate drawn by George Barbier. You will learn the fastest of all appliqué: the freezer paper inside technique. In this class, you will be guided through design and composition, selection of fabrics, plus you will learn how to frame your quilted art. (Friday, April 11<sup>th</sup>, 9:30am – 4:00 pm).

## Space still for both classes!

To sign up for the workshops, or simply to ask questions, please call **Holly Nelson** at 698-7108

## **March Update: Quilt Blocks from Japan**

On March 8, 2003, Susan Johnson added her contribution to the "Reflections on 9-11" quilt collection. In all the excitement, we forgot to take a picture of Susan with her quilt! But when we do, we will spotlight her beautiful wall hanging in the newsletter. However, this month we are spotlighting three quilts that were added to the collection in February: "Sunbonnet Sam San" by Holly Nelson, "America, the Beautiful, You're the Apple of Our Eye" by Carol Bryant, and "I'm on Your Side" by Cathy Wallace. Thank you, ladies, for your creative contributions to this project.

And we want to express our appreciation to Lari Jensen and Karen Nanos for inviting us to exhibit the "Reflections on 9-11" quilt collection, with an assortment of the Japanese quilt blocks, at the Creative Inspiration Expo at the Airport Convention Center on February 14-16.

With your help the "Reflections on 9-11" is growing by leaps and bounds. Of the original 139 blocks, 78 have already been claimed. Seven more quilts were started since the guild meeting on February 8<sup>th</sup>. Many thanks to Shirley Staats (and her informal bee), Sharon Marrow, Pam Russell, Ruth Wilkins, Barbara and Kimberly Barnes for their enthusiastic interest in this project. To date, 6 quilts have been completed and 17 quilts are now in progress.

What an exciting adventure this project has become! If you would like to make a quilt for the "Reflections on 9-11" collection, please let us know so that we can show you the remaining blocks. And if you have any questions, suggestions, or concerns in the meantime, please contact Barbara Gilstad ([gilstad@texas.net](mailto:gilstad@texas.net)).

One final note: If you are interested in looking at the original 139 Japanese quilt blocks that were sent to us by Marty Kishiro, you can find them at: [www.rasenkaidan.com/info/freedomquilt\\_12.htm](http://www.rasenkaidan.com/info/freedomquilt_12.htm). Marty has also begun posting digital photographs of the completed quilts at: [www.rasenkaidan.com/info/freedomquilt\\_16.htm](http://www.rasenkaidan.com/info/freedomquilt_16.htm).

We would love to hear from people who reviewed the blocks and quilts at these addresses.

## Minutes of Board Meeting

Minutes of Board Meeting  
March 3, 2003

Attending:

Larry Beauchamp, Jo Chittenden, Lari Jensen, Ida Tyson Blankenship, Mary Ruth Flores,  
Candace Tull, Holly Nelson

Larry Beauchamp called the meeting to order at 7:10 pm. The minutes from February meeting were approved as published in the newsletter.

There was no treasurer's report, due to her absence.

Larry mentioned having received a notice from Bernina of a guild quilt contest. The quilts must have been completed in 2003, be designated for donation to a specific charity and be submitted to Bernina by 31 July. With the Quilt Show coming up later this fall, the board considered the time remaining too short for a guild project, but would support a submission by any group within the guild, should one desire to do so, and would pay the \$25.00 entry fee. Bernina's invitation will be announced at Saturday's meeting.

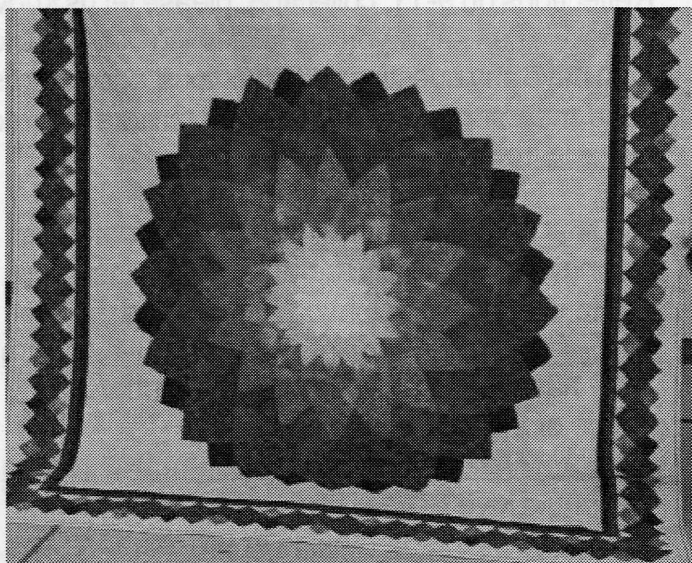

Ida Tyson Blankenship reported that the newsletter is on track and that she has been in contact with the mail sorting person to assist with getting more timely delivery.

Holly Nelson discussed programs for the upcoming 3 months. All are on track.

Lari Jensen reported a good turnout of volunteers for the Pro Show, with many membership applications having been handed out and raffle tickets sold.

Board meeting adjourned at 8:05 pm.

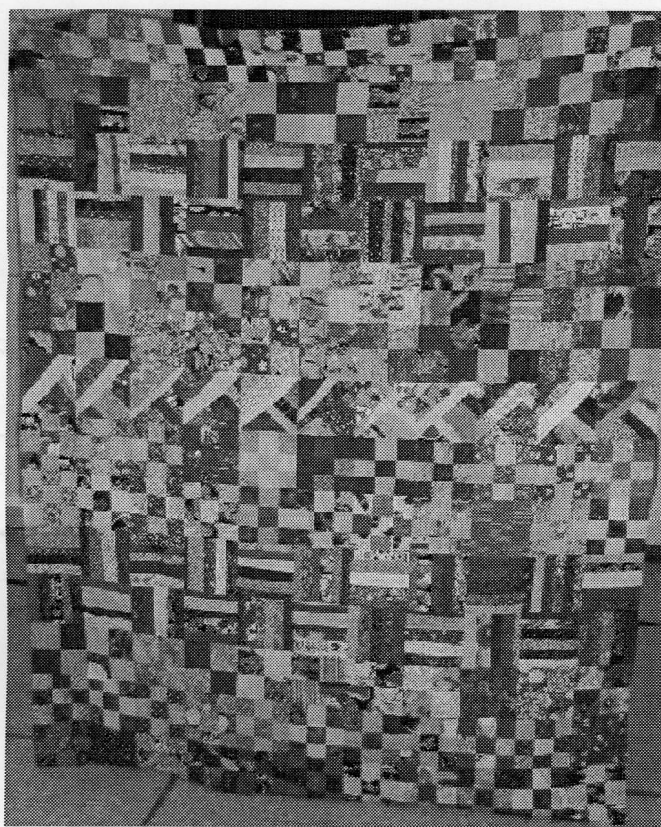

Holly Nelson

## Announcing the new bee

### "Computer-aided Quilt Designing"

Barbara Gilstad is organizing a new bee for members and friends of the Greater San Antonio Quilt Guild who are interested in sharing their passion for computer-aided quilt designing and demonstrating their knowledge of quilt design software, such as **Electric Quilt 5**, **Dear Jane**, and **Quilt-Pro 4**. To express your interest and to suggest days, times, and potential locations for monthly bee meetings, please contact Barbara before April 9<sup>th</sup>. The date of the first meeting will be announced at the guild's April meeting on April 12<sup>th</sup>. For additional information, contact Barbara at [gilstad@texas.net](mailto:gilstad@texas.net) or 493-2404.

**DEEP IN THE HEART – MY MOTHER’S QUILT**

For many of us quilting was embedded deep in our heart by a quilting mother, grandmother or other family member. At our 2003 show we would like to recognize these inspirational women with a special exhibit called, "My Mother's Quilt."

For this exhibit we are asking members for quilts made by their mothers, grandmothers or other family members that provided special inspiration for them. You can submit a quilt by providing a photograph of the quilt, information on the maker, and a short explanation as to why this quilt is special to you.

We will select quilts from those submitted for our exhibit. We will be able to display only a limited number of these quilts so all submissions may not be chosen. Give your pictures and stories to Larry Beauchamp no later than the July 2003 meeting!

From the web mistress: The guild site has been very active. We have been invited to share links with The Quilter Magazine Online, Fabric Trends Magazine Online & The Quilter Community. All are great resources of information. Please visit the "Links" page & visit these sites. Our web site counter is now +1100 viewers! Many inquiries regarding our quilt show & auction keep coming in.

For many years GSAQGG has used this pin as our "generic" guild pin. We are close to the end of our supply and it is necessary to order new pins. The die for this pin no longer exists so we must start from "scratch" in creating a pin. Your Board of Directors thought it might be fun to call upon the creative genius of our members, therefore, we have established a "**Guild Pin Contest**"! We are soliciting designs from members for a guild pin. It should be no larger than **1 inch by 2 inches** and should have no more than six colors. We will accept designs through the May meeting. The Board will do preliminary judging and will present three designed to the membership in June for final selection. The winning designer will receive a bundle of fat quarters and immortality!!!!

### New "volunteers!"

Many thanks go to these two women who stepped out to fill the needs of our guild.

**Sylvia Budraitis** agreed to be in charge of our guild pattern collection. It is a great asset to our members to have it available. With Sylvia's help we will be able once again to use the patterns.

**Debra Pavelka** stepped forward to continue the great works done by the Bright Hopes Committee. She has been working with Kitty, so she knows the importance our quilts for children.
