### Just when you think you know it all.....

We all had a fabulous time this past Saturday after guild. The crooked log cabin quilt class with Amy Winsor certainly made me look at a traditional block in a new way. Being a die hard appliqué fan, my piecing is limited to sewing finished blocks together. It was fun to get out of the house and spend time with friends, have a few laughs and to get know my fellow guild members better. My poor log cabin blocks will probably end up in my UFO pile. The best thing about a quilt class is that if you always look, somewhere, you will always learn something. For me it was a fellow quilter sharing her needle nose pliers to help me rip apart a sewn seam. It was something simple; it's amazing what you can learn from a quilt class. Maybe I will take that new class on piecing techniques.....

Blissfully stitching,

Bobbie

Please read the excellent article that Amy Cottrell submitted on page 6. The article doesn't suggest this excellent idea -- Pile #1 and Pile #2 may be excellent donations to QPC or Bright Hopes. This is especially true if everything is there to finish the project but your heart just isn't in it anymore!!

## *Sunshine and Shadows*

Remember - birthdays, graduations, anniversaries, awards, are fun to share as well as the shadows of life.

Shirley Carter's husband Rex has been undergoing treatment for a broken hip and complications in his recovery. Our prayers and hugs to Shirley at this difficult time.

Shirley Carter advises us that Mona Stewart would like some cards. Sherry Sorbera's brother said she really likes to get cards in the mail and he knows it would give her something to look forward to ever now & then. She is still doing chemo every three weeks. Mona's address is: 6818 Forest Crest N, San Antonio, TX 78240.

This will be my last Sunshine and Shadows. Thanks for letting me serve you since 1989. I have been Librarian, Program Chair, Workshop Chair, President and served in many capacities for the quilt show. I will see you all at the quilt show in 2009. Love and best wishes to all, Amy Cottrell

## Summer Retreat

On June 22, about 35 people will travel to Camp Lone Star in La Grange Texas for 5 days to share fun, fellowship foods and SEWING. Basically, participation in activities is optional, but there will be a mystery quilt project, games, a group quilt (blocks are available at meetings now), two classes, swimming (at additional cost), a show and tell session just for starters. A retreat book will be distributed in May or June with all the details as to what to bring, what will be happening and direction to the camp. The cost is \$295 with a nonrefundable deposit or \$50 due at sign in. For more information — Kitty Janiga @ 210-622-9522, 210-710-1909 or [kittyandernie@earthlink.net](mailto:kittyandernie@earthlink.net).

## Counting Your UFO's and PIPS

Have you started something and not finished it? That's a UFO or "Un-Finished-Object". Got a UFO in a bag or box sitting on a shelf? That's a PIPS or "Project in A Paper Sack".

You'll need a box of "Tall Kitchen Bags" and a magic marker or "Sharpie" for this but you'll be thankful you did it.

Now gather all your projects together in one spot. (Fight off the urge to resume working on any of them at least for the moment.) And sort through them as follows...

Make space for 3 piles of these UFOs AND PIPS...

**PILE #1:** Make one stack for those projects that would no longer be possible to finish OR that if you did finish you wouldn't have any use for the project. Maybe its a size 2T shirt for your grandson. It was a great idea when you started it, but he's now in his freshman year of college. Or maybe it's a set of placemats with fabric that matches your camper - but it's the camper you traded in 3 years ago. You get the idea. Call this "Pile 1".

**PILE #2:** Make the next stack for those projects you started but really don't have a desire to finish. You're just not interested. Everything is there, it COULD be finished, but you really don't have a desire to do this anymore. Call this "Pile 2".

**PILE #3:** Make the final stack for those projects that you REALLY LOVE and YOU WANT TO FINISH someday... "When I have time". Call this "Pile 3".

Now get a box full of "Tall Kitchen Bags" from under your kitchen sink or in the pantry or wherever you store them. Place each project inside one of those bags. Use a "Sharpie" marker to put a number on each bag... 1, 2, or 3... along with a one-word description of the project.

Everything in a #3 bag goes into your sewing or craft room to start with. Put them all in one area that you can get to easily. You'll need these later!

Now make a brief list on paper of everything in bags numbers 1 or 2 and an estimate of the cost

of the stuff in that bag. When you're done with this list, put it in with your tax documents you're collecting for 2008. They may be tax deductible!

Choose which of the following places will get everything in the #2 and #1 bags. Senior Center? Shelter with workshop? Charity Rummage Sale? AmVets? Salvation Army? Figure out which place you can give these projects to and get them out of your house now. After you drop them off, drive your car to the nearest DQ or Starbucks or whatever is your favorite treat place and treat yourself! You've done something good today AND you've cleaned out your sewing or craft room AND you've taken a burden off your conscience by "completing" a whole bunch of unfinished projects!

Now about the #3 projects... the ones you really want to do "someday".

I just checked my calendar. It has a Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, and a Sunday. But there's no "someday" on my calendar! Take a look at your calendar. If there's a "someday" I want you to circle it. If there ISN'T a "someday" on it, then it's time for you to pick another day. Pick one. Any of the days that are on the calendar. Maybe Saturday is a good one for you. Or maybe Tuesday's are good for you.

Pick one day that IS on your calendar circle it. Now pick the time that day that you will do one of those projects. Maybe 8am works for you. Or 6pm. Write the time and the one word you put on one of those #3 bags on that date on your calendar.

At the appointed date and time - tell yourself "Someday is now!" Stop whatever else you are doing and go grab that bag off the shelf and simply do it.

Post a photo of a finished UFO in the ATW photo gallery. If it's a genuine "UFO" that you

have now finished I want you to put in there when you started the project, how long it sat in a sack, and when you finished it. I'm looking for the longest, smallest, biggest, etc projects from start to finish posted in our photo gallery during the month of April 2008. That gives you almost a month to finish one of your projects. I'll award a prize to one of the photos posted.

" Larry Pike of [www.thebobbinbuzz.com](http://www.thebobbinbuzz.com) published this on March 8, 2008.

" Larry kindly gave me permission to reprint this article. A little different approach than I have seen before. Also had never heard of PIP – which immediately separates UFOs. With two types of bought projects that would reduce the UFO count.

## The Greater San Antonio Quilt Guild Biennial Quilt Auction

This years quilt auction will be held in a different format than previous years. We will hold a luncheon at Oak Hills Country Club September 27<sup>th</sup>, 2008 with the auction to follow immediately after the luncheon. The ballroom accommodates 250 people for the luncheon and allows plenty of room to display the quilts and open the auction to the public after the luncheon. Tickets to the luncheon will cost \$25.00 per person. This cost covers the meal, valet parking, a cash bar, a registration table, a podium, and microphone. While the luncheon will have a charge, the auction will be free to the public. Admission to the auction will immediately follow the luncheon. Viewing of the quilts will be held before the luncheon for luncheon participants, and again immediately following the luncheon for all participants.

This will be a collaborative fundraiser with ANY BABY CAN and HABITAT FOR HUMANITY. The GSAQG is taking the lead to do all the ground-work such as planning, publicity, printing, and postage, etc. The other organizations are taking a sponsoring position in our collaborative efforts to raise monies together. With their assistance,

our organization will be able to reach the type of audience who support with their financial backing, organizations such as ours, who are non-profit and give back to the community in so many efforts.

In the previous 2 auctions (combined), we sold 106 quilts and 12 quilt tops for a net profit of \$5,865.63. So if we divided the number of quilts and tops into the net profits the average for each was \$49.71.

Now ladies, how many of YOU would sell any of YOUR quilts for less than \$50.00? I know I wouldn't. The material alone is worth more than that.

It is this committee's goal to obtain more participation and involvement from the general community. We are venturing outside of the box to try and get some new and innovative ways to raise money through our auction. The luncheon and facility costs will be absorbed by the ticket sales. Therefore, no cost will be incurred by the guild. Remember, our goal is to sell the tickets to a targeted audience who regularly support the community organizations with considerable financial funds.

This is truly an old southern favorite. Originally a country wedding cake. Neighbors and friends would contribute layers to the brides family. Many layers meant you were a popular person. My father-in-law just adores this cake, his grandmother used to make it for him on her wood stove. Enjoy!

#### APPLE STACK CAKE

2 2/3 c. flour  
1 tsp. soda  
1 tsp. baking powder  
1 tsp. ginger  
1 tsp. salt  
1 c. dark brown sugar  
1/3 c. dark molasses  
1/3 c. butter  
2 eggs, well beaten

Cream butter until it is light and fluffy, and add brown sugar and molasses and continue creaming until mixture is fluffy. Add eggs. Combine flour, soda, baking powder, ginger and salt and sift into creamed mixture.

This should be a soft dough and a few tablespoons of buttermilk may be added if dough is too stiff. Divide dough into 6 equal parts. Draw a 9 inch circle on a sheet of aluminum foil. Lightly flour foil and roll dough to fit circle. Bake on foil

in oven at 350 degrees for 12 minutes. Cool layers and stack layers with Dried Apple Filling. Dust top layer with confectioners' sugar. Makes 8-10 servings.

#### DRIED APPLE FILLING (for Stack Cake) :

1 lb. dried apples  
1 c. dark brown sugar  
1 c. granulated sugar  
2 tsp. cinnamon  
1/2 tsp. cloves  
1/2 tsp. allspice

Add 2 cups of water to apples. Simmer in covered saucepan until apples are soft. Mash apples. While apples are still hot, blend in remaining ingredients. Spread filling between layers over the sides of cake.

## GREATER SAN ANTONIO QUILT GUILD, INC. ETHEL Y. HOWEY GRANT PROGRAM

### MISSION

The Greater San Antonio Quilt Guild has established a grant program in honor of a loved and esteemed founding member, Ethel Y. Howey, whose accomplishments and influence extended into the international quilt world. The grant is to encourage the pursuit of education in the study of quilt making and to recognize the importance of quilting in today's society as an art form, as an instrument of healing, as part of our legacy, and as a common thread which binds all in friendship.

### PURPOSE

The purpose of the grant program is to fund projects that will have long term impact on preserving the heritage and further the art of quilt making. The grant may be used to cover expenses such as fees (including conferences, workshops, etc.), travel, lodging, meals, materials and books. The grant(s) will be awarded annually, not to exceed \$1000.

### ELIGIBILITY

Applicant must be an active GSAQG member in good standing for the previous two (2) years immediately preceding the grant deadline.

An applicant must show evidence of an interest in continuing to improve and innovate in the field of quilt design, construction, history or technique.

Recipients must be willing and able to share with GSAQG the new skills, techniques, or information gained. This may be in the form of a presentation, a workshop or other process that disseminates the information to the members.

Recipient must submit in writing a final report of the project and expenses by March 1 of the following year. If recipient fails to fulfill requirements any advanced funds must be returned. Grant recipients are ineligible to reapply for grants for three years. Grant committee members are ineligible for grants while serving on the committee.

### PROCEDURES AND DEADLINES

Applications must be submitted on or before November 1 (current year), and the grant will be awarded at the following January guild meeting. The grant recipient's final report is due by March 1 of the year **after** the grant is awarded.

**BLOCK**

**PARTY**

Try your hand at an Attic Window. You may do it the traditional way with a Y seam or use a half-square triangle at the corner. Let's make them 6.5 inches square unfinished. The frame is 2" and the pane 4" Put an animal in the window (hand applique or fused applique). Use dark and medium browns for the window frame and off white for the pane. Bring as many as you like with your name attached to each one to the April Guild meeting. All names go in the basket and the lucky winner in the drawing gets all of the blocks.
