President's Letter

July Greetings. I hope your summer is going well. June's meeting was fun with lots to see and do. We welcomed new members Sue Pryse and Marilou Louden. Karen Combs inspired us with her lovely quilts, and hints on finding tools for our quilting in everyday shopping places. Her workshops on Friday and Saturday were enjoyed by our quilters who were there with the fees paid by the Eleanor Wright Scholarships. Maybe you can plan to be there next year for the annual opportunity.

Be thinking about how you could embellish WHITE GLOVES to wear and show off at our quilt show. It's a contest we had last show.... to make it all more fun. You will get the gloves for a small cost, then decorate them.

Then in August we will vote on our favorites. Prizes will be given, but we are all winners because of the increased fun together as we wear the fancy gloves to show the quilts at our show. This is a special thing we have "invented," I haven't heard of it at other shows.

Dea Jae will be talking about our show more at this July meeting.....we're much closer, we need everyone there to get the scoop on details, to tell us what jobs you'd like to help with. The Rainbow of Quilts is our show....you as members are our stars.

See you on the 13th !!!

Sincerely,

Ida

2013 Program Notes

DeaJae Shore will do a presentation about this year's Show at the July 13 meeting.

On Friday, August 9 and on Saturday, August 10 Marcia Kaylakie will be doing quilt appraisals *for guild members only*. These appraisals are for *any* quilt, not just ones entered into the show. The cost will be \$45 per quilt. Please contact Melanie McInnis for an appointment.

The program for the August guild meeting is Marcia Kaylakie's lecture on the care and preservation of old quilts.

Also at the August meetings sign ups will be taken for the September mini-retreat. The dates are Friday the 27th and Saturday the 28th. The cost will be announced at the meeting.

MISSION

The Greater San Antonio Quilt Guild (GSAQG) has established a grant program in honor of a loved and esteemed founding member, Ethel Y. Howey, whose accomplishments and influence extended into the international quilt world. The grant is to encourage the pursuit of education in the study of quilt making and to recognize the importance of quilting in today's society as an art form, as an instrument of healing, as part of our legacy, and as a common thread which binds all in friendship.

PURPOSE

The purpose of the grant program is to fund projects that will have long term impact on preserving the heritage and further the art of quilt making. The grant may be used to cover expenses such as fees (including conferences, workshops, etc.), travel, lodging, meals, materials and books. The grant(s) will be awarded annually, not to exceed \$1000. The Grant Committee may divide the monies between more than one recipient. The GSAQG is not obligated to award the entire \$1,000 or any part thereof, if the quality of the proposals does not merit it.

ELIGIBILITY

- Applicant must be an active GSAQG member in good standing for the previous **two (2) years** immediately preceding the grant deadline.
- An applicant must show evidence of an interest in continuing to improve and innovate in the field of quilt design, construction, history or technique.
- Financial need will NOT be a criteria for selection.
- Grant recipients are ineligible to reapply for grants for three years. Grant committee members are ineligible for grants while serving on the committee.

PROCEDURES AND DEADLINES

- Applications must be submitted **on or before August 1** (current year), and the grant will be awarded at the following January Guild meeting.
- If the recipient fails to fulfill the requirements or is unable to attend the proposed project or program, the grant money must be returned within **three (3) months** of the cancellation, or on a time-line agreed to by the committee and the applicant. If an alternate applicant is available, the money may be transferred to the alternate with approval of the committee.
- Recipients must be willing and able to share with GSAQG the new skills, techniques, or information gained. This may be in the form of a presentation, a workshop or other process that disseminates the information to the members in **the year following receipt of the grant**. Scheduling must be coordinated with the 1st Vice President for Programs.
- If a workshop or program is being presented, **at a minimum of (3) three months before** the scheduled Guild workshop or program, a lesson plan and class sample will be presented to the Ethel Howey Chairperson, the 1st Vice President for Programs and one Guild member-at-large.
- Recipient must submit, in writing, a final report of the project and expenses **by March 1** of the year following receipt of the grant.

Pieces of the Past: Bed Ruggs
Ellen Hernandez

In Samuel Johnson's 1755 *Dictionary of the English Language*, he defined bed ruggs as "a course nappy coverlet used for mean beds." Mean beds belonged to servants and children who lived in the coldest part of houses. The heavy, thickly woven ruggs were used on the bed with the pile down. Perhaps Benjamin Franklin was referring to a bed rugg in his 1772 poem, "Here Skugg lies, snug as a bug in a rug."

Scandinavians were probably introduced to Asian knotted pile rugs around 800 A.D. via merchants using trade routes. By the 1300s, the distinctive long piled Scans' ruggs or ryas were well made, and in natural sheep colors of white, gray and black. Not only for beds in homes, they were used by sailors, on horses, floors and walls. They were also used as currency.

Because few examples of early bed ruggs exist, there is controversy whether they were hooked or yarn sewn. Four bed ruggs made by sisters Mary, Abigail, and Elizabeth Foote in the late 1700s Connecticut are yarn sewn wool. The outlines of the flowers are sewn with a looped running stitch on a wool base and filled in with darning stitches. It is guessed that making a rugg took over a year, and included shearing, washing, dyeing, carding, spinning, and sewing. Evidently the rug making process using local supplies during the Revolutionary War made Abigail feel exceptionally patriotic: "I carded two pounds of whole wool and felt Nationally."

Before the repeal of the British Acts of Trade in 1849, cotton was too expensive for most people in the US to use in rug making. Linen and wool foundations were much more common. Wool was sewn onto the base covering it completely, and either the loops were randomly made or a length guide, often a reed, was used. Loops could be left uncut or cut.

At this same time period, the use of burlap flourished, as sacks for coffee, tea, and other products, and in rug hooking. The inexpensive jute structure had a wider weave that made hooking easy. Because of this

innovation, yarn sewn ruggs fell out of fashion.
