President's Letter

It is so nice to be meeting in person again, isn't it? The birthday/workday was enjoyable in part due to the fact we had been denied this during the past two years. And wasn't the catering wonderful? Thank you, Ina Ramirez, for some of the best eats yet! Many service projects received quite a boost from all the members who stayed to work. Well, it's called "work" but is it really when it's something we enjoy doing and when it is shared among friends? Thank you to everyone who contributed.

The big news announcement is that this month members whose last names run from R to Z get to bring fabric to the free table. We have to do it by last names and on the honor system, restricting it to fabric only. No books, magazines, patterns, etc. just yet. Those things will be dealt with soon, promise. July's free table will be for the G to P group and, for a change, the A to F crowd will be last come August. Everyone has had two years to tidy their bins and shelves but don't let's break the table under too much fabric, please!

See you soon-- Mary

Have you heard the news?!?! Isn't it exciting? We are back at Saint Andrew Presbyterian Church for our live and in person meetings since Spring of 2020! Two years have passed and we have so many friendly faces to meet & greet!

Sylvia Jolet has volunteered to be on our Welcome Committee but she needs one or two more to help out. If interested, please contact a boardmember!

We have one member who will take our extra fabric from the free table but would like one or two more persons to volunteer. If interested, please contact a boardmember!

Programs 2022

June - Vickie Owen will present lecture and show of collage quilts. She invites members who have also made a collage quilt to show it. She will teach a class on beginning a collage quilt on Saturday. In order to make the most of the time, she is making kits (\$20) required for the class, which include fabric ready for fusing and a pattern. Vickie's class is our Ethel Howe class. This means that if you pay for the class (\$25) and attend the class, you will have the class fee reimbursed. The LAST row of our Row Along. It will be birds! If you have kept up with your rows, show off your finished Row Along top in July!

July - Our own Janet Miller will be showing and giving us the background on our guild's quilt collection. Fourth row of "Merrily We Row Along" will be given.

August - Jean Hardies and Ida Kujawski will do a presentation on quilts that will be displayed at the auction.

September - Sew in person jelly rolls day.

Sandra

Summer clothing tip: UPF (Ultraviolet Protection Factor) measures the amount of ultraviolet protection - UVA and UVB - in fabric. Fifty is the highest protection allowing only 1/50th of the rays to penetrate fabric. Many activewear shirts and swimwear are UPF rated, and those above 15 are good, compared to a regular t-shirt that has a UPF of only 1 – 4. UPF rated fabrics are usually more tightly woven and made of synthetics. The first FDA approval for sun protective clothing was in 1992 as a medical device.
